A player playing out of his/her home state without obtaining prior approval will be subject to sanctions, including, at a minimum, defaulting of all matches played prior to receiving approval. Sanctions may be applied to the team captain as well.
  - i. South Carolina Players from outside of the AATL boundaries are no longer required to submit OOA approval forms. However, teams are limited to OOA players per (vii) below. Out-of-State (OOS) residents (as determined by address in Tennislink) are required to submit an OOS approval form to the League Coordinator [The electronic OOS form may be found at Aikentennis.com on the rules page.], which will be subject to approval by both the AATL LLC and the State Singles League Coordinator.

  - vi. Except in the event of a singleton team playing local league at state championships, AATL teams are required to have >50% players from within the AATL boundaries. The combined number of OOA and OOS (maximum 2-three position matches, 3-five position matches) is required to be <50% of team total. AATL teams must play home matches at facilities within the AATL boundaries.
  - vii. Singleton teams placed in the AATL by the State League Singles Coordinator are required to have >50% players from within boundaries of their own home league Area.
  - viii. The Local League Coordinator, with State League Coordinator approval, may increase the OOS limits if necessary to avoid a singleton team at an NTRP/flight that is required to play a local league season for advancement to championships.

## Self-Rating:

- A. Players who do not have a computer rating on file in TennisLink shall self-rate in accordance with the National Tennis Rating Program (NTRP) Guidelines and **complete the self-rating process on TennisLink when registering for a team**. Failure to do so or omission of information regarding a player's tennis history will subject the player, the captain and/or others who condoned inaccurate self-rating to sanctions and disqualification.
- B. A player that self-rated in the Adult League cannot self-rate lower for the Singles League.
- C. A self-rate is valid for 12 months.

## Rosters:

- A. TennisLink is the official system for team registration.

- B. Team Roster with a minimum of 3 legal players must be submitted into TennisLink no later than **May 29, 2010** in order to participate in the AATL 2010 Singles League.
- C. AATL Singles League teams are limited to a maximum of 6 players.
- D. After commencement of local league play, players may be added to the roster in accordance to the following:
  - 1. Player's name **must** be added to the team roster before the player's participation in a team match.
  - 2. Players may be added to the roster until just before the scheduled match day/time when there are no longer enough matches on the Tennislink published schedule to qualify for championships.

**Fees:**

- A. Fees will be collected (via credit card) when a person is put on a roster in the TennisLink system. The cost to play in the AATL 2010 Singles League is \$10, which includes the USTA/SC player fee, local league fee and TennisLink fee.
- B. See "AATL Policy for Granting League fee Refunds". It is possible to transfer from one team to another without additional fees by contacting the Local League Coordinator to process the movement from one team to the next. **See AATL policy for refunds at the end of the rules section.** Transferring to another team must be done **before the start of the Singles League Season.**
- C. **Teams advancing to Championships will be required to pay their fees of \$20 per player attending State Championships.** Money will be collected by the LLC, and a single check for the entire AATL provided to the State League Coordinator.

**AATL Local League Specific Rules:**

- A. Each team must have a captain or acting captain present at each match.
- B. Home Team Captain is responsible for contacting visiting captain ahead of time to confirm match time, location, etc. **Home team captains are required to inform visiting captains of court surfaces to be used at each position prior to scorecard exchange.**
- C. Each team must play at least three matches to qualify for further championship play.
- D. Home team is responsible for providing new balls, but new balls may be introduced to a match at any time, if all players competing in the individual match agree.
- E. It is the responsibility of the home team captain to contact the visiting team captain prior to the scheduled match time if the weather will not permit play. The captains can then discuss postponement, rescheduling, etc. If weather and availability of courts at **visitor's site permits play, match should be played at visitor's courts.**
- F. If the beginning of a match is delayed by rain or wet courts, see **MATCHES AFFECTED BY INCLEMENT WEATHER** for mandatory make-up procedure.
- G. If an event affects a majority of the players from either team from playing at the scheduled match day/time, See "**MATCH CONFLICTS WITH OTHER EVENTS**"
- H. Players must report to scheduled matches on time. The 15-minute default rule will apply unless prior arrangements have been made between captains.
- I. **Scorecards:**
  - i. Scorecards are to be printed by captains from TennisLink for use during line-up exchange.
  - ii. Captains are to exchange line-ups simultaneously at the scheduled match time if all players are present. If players are not present at the scheduled match time, scorecards may be exchanged with blanks at the lowest line to allow the players present to begin play. Alternately, scorecards may be held for exchange until all players are present, or at the 15 minute default time, whichever comes first. No changes may be made after line-ups have been exchanged, except as indicated in the substitution rule. After scorecards

- have been exchanged, if a team receives a default, the receiving team **does not have the option to change their line-up!**
- iii. Substitution: In the event of illness, injury, or disqualification (once the lineup has been exchanged), a team may substitute a player in the affected position within the 15-minute default time. The start of an individual match is once the ball is struck and put into play to begin the match. In event rain or inclement weather forces cancellation and rescheduling of a team match, substitution may be made in any individual match that has not begun. No player involved in a default may participate in rescheduled match.
  - iv. **Captains are to agree on scores and players' names (as they appear in TennisLink) on scorecard before leaving match and sign each other's scorecards.** The signed scorecard will be official agreement of the final match scores.
  - v. Either captain can report scores on TennisLink and must report within 24 hours of match. The first captain to access TennisLink enters the score; the second captain confirms the score. Each match must be entered and confirmed. If the match is not confirmed within 48 hours after the first captain enters the score, TennisLink will automatically confirm it for you.
- J. **CELL PHONES** and all other electronic devices must be turned off. If an electronic device makes an audible sound during a point, the opponent wins the point based on a hindrance. Cell phone usage or Text Messaging during a match is not permitted. Emergency response personnel may utilize electronic devices, worn on their person, and set to vibrate mode for notification.
  - K. Errors in entering scores in Tennislink must be corrected by the LLC. Prior to requesting the LLC to make a correction, captains should agree that the correction is required. The LLC should be notified by one of the captains, via email with CC: of the other captain, the exact details of the required correction **including match number**, individual match line number, and the player/score correction required.
  - L. Each team must guarantee availability of 3 courts for AATL matches. Any approved USTA surface is permissible, including indoor and outdoor (soft and hard). It is the home team's responsibility to have courts available and playable at match time. Separated courts may be used. Captains must designate the exact location of any separated courts prior to the match.
  - M. USTA rules govern play. Also, "The Code" as a handbook of **ethics and fair play should be understood and followed by every player**. Captains and team members are urged to familiarize themselves with the official USTA, STA, SCTA, AATL rules, and "The Code".
  - N. Once an individual match has begun, no coaching may be given a player by anyone.
  - O. Sportsmanship:
    - i. No linesmen or umpires will be provided for matches.
    - ii. Every player is expected to call shots on his side, as he would expect his shots to be called on the other side and **loud enough for his/her opponent to hear**. Any out ball must be called instantaneously; otherwise, it is presumed good and in play. Avoid late calls.
    - iii. Balls that are not clearly out should be awarded the opponent. In the case of doubles, when partnership is in disagreement of a call, it should be awarded the opponent.
    - iv. Players are advised to call the score before each point to avoid confusion. If the players can not agree on the score, the score reverts to the score at which the players last agreed.
    - v. Players should advise their home fans to also show sportsmanship and applaud for good shots made – not points won for errors. Also, respect players on neighboring courts. Spectators may not aid players in making a line call nor in determining the

correct score. Spectators should not participate in the match in any way and should refrain from doing so even if asked by the players. Spectators may quietly watch a match in progress. They should not sit or stand at the end of the court immediately behind the servers or receivers if it is distracting to the players.

- vi. Spectators may quietly clap for points well played. It should be remembered that the well-played point should be applauded regardless of who won the point. It is considered to be poor tennis etiquette to clap for unforced errors. It is the responsibility of each team to control the noise and behavior of its spectators. Loud, boisterous or unsportsmanlike behavior is unacceptable. If a problem exists with a spectator, the player(s) or her opponent(s) should ask the spectator to refrain from the particular behavior. If the behavior persists, team captains should be summoned to handle the situation.
- vii. Coaches or club pros must refrain from intrusion in discussions or negotiations between players or captains unless specifically asked by *BOTH* captains. Even then, it is the responsibility of the two captains, not the pro, to decide on the resolution of the incident.
- viii. All complaints alleging a violation of fair play and unsportsmanlike conduct shall be filed in writing to the LLC who will forward the complaint to the Grievance Committee and other appropriate persons. The Grievance Committee will review the alleged grievance and determine the necessary actions that should be taken.

**P. Defaults:**

- i. Default – when a team knows in advance it will not be able to field all three positions. In this case, the #3 doubles position must be defaulted.
- ii. Forfeit by default – when a player who was expected to play becomes unable to play and no substitute is available. In this case, the position in which the player was scheduled to play is defaulted.
- iii. Default by disqualification – disqualification occurs when a player is ineligible to participate for any reason (i.e., not a member of USTA, under age, not on roster). The position in which the disqualified player played is defaulted.
- iv. Full Team Defaults (2 of 3 Match lines):
  - (1) Full team defaults are not permitted in the AATL.
  - (2) Full team defaults result in deletion of all future matches from the league schedule for the offending team with those match dates becoming byes for opposing teams.
  - (3) If not in the last round robin of the local league season, the offending team will be DQ'd in all matches played in the round robin where the team default was given.
  - (4) Players on a team DQ'd for granting a full team default are not entitled to refund of any portion of their league registration fees.
  - (5) All players on any team giving a full team default may have sanctions imposed via grievance against them to include ineligibility to compete at any SC State Championship for a period not to exceed one Championship year.
  - (6) Players receiving a default must be listed on Scorecard; players giving a default must not be listed.
  - (7) Double-Defaults - If there is a default by each team for the same position, the scorecard shall reflect that it is a Double Default, and the line entered in Tennislink using the Double-Default option for that line.
  - (8) Defaults given are voided in the event of rainouts provided **no individual** match has started. If any match has started (first ball put in play), the default stands.

- Q. **Retirements:** Retirement occurs when an individual match has started and a player is unable to continue due to injury, loss of condition, or emergency. In case of retirement after commencement of a match, the non-retiring player shall be credited with such number of additional games as would have been won if match was completed and non-retiring player won every subsequent game. **In TennisLink, mark as “retired” and submit actual scores of match at the point of retirement (i.e. 6-3, 2-1, retired).**

**Progression to State Championships (Nov 12 - 14 2010, Location TBD):**

- A. Each Player must play **at least two matches locally for Adult and one match locally for Senior** to qualify for further championship play. **One default received** can be used to qualify for advancement to the championships, but a **default given** cannot. A **retired** match shall count toward advancing for all players involved.
- B. If a player plays on more than one team at different levels, and both teams qualify for the State Championships, the player may participate in the State Championships on both teams. **Players may not participate on more than two Adult and two Senior teams at State. No scheduling accommodations will be made for players competing on multiple teams.** If a player plays on teams in separate leagues at the same level and both teams advance to State Championships, the player may participate on only one team per level.
- C. **Championship Draw:** The Championship Draw is a random draw done by the championship referee before league competition is completed. Where possible, however, teams from the same local league will be put in separate flights. The number of flights at a given level will depend on the number of teams eligible. A flight will typically have four teams and the referee may elect to add wildcard teams to balance out flights. In the case of three flights, a wildcard will be drawn at random (from the numbers 1, 2, 3 by the referee on the final day of round robin play to determine which flight’s second place team will play in the semi finals. The wildcard team will play a team from another flight.
- D. Entry fee for State Singles League Championships will be \$20.00 each time a player’s name appears on a championship roster. See **AATL Policy on Paying for Teams to attend SCTA Championships.**
- E. Teams that withdraw from the Championships after the roster/fee submittal deadline will default fees. A team substituted for the withdrawing team will be responsible only for any additional championship players exceeding the number of players submitted on withdrawing team.
- F. Teams that withdraw from the Championships after the draw is published will be subjected to Local and State Grievances that may include prohibition of Championship play.

**Wildcard Procedure:**

Wildcards will be chosen from a random draw based on the number of teams and positions by Area from the current Singles League season. The number of teams an area has will be divided by the number of positions that area qualifies for at the State Championships. This number will determine the total chances the Area will have in the random draw. An Area whose team is drawn for a Wildcard and used at a particular level will **NOT BE ELIGIBLE** to have a wildcard at the same level the following year unless there are not enough teams available to complete the draw. An Area whose team is named to replace a team that dropped out of the State Championship will remain eligible for a wildcard at that level the following year.

**Number of Teams:**

When a Local League does not have the required number of teams (two teams) to constitute a level, the State Singles League Coordinator, in consultation with affected Local Singles League Coordinators, shall either:

- (1) Assign the singleton team to another Local League, in which case, (a) State Singles League Coordinator will transfer assigned team to League to which it is assigned and assigned team will abide by rules of host league; (b) the host league will make rule regarding travel for matches.
- (2) Group the singleton team with other singleton teams in the state and schedule a playoff among those teams to determine advancement to the State Championships. The State Singles League Coordinator will decide on the date(s), playoff structure, and designate the site and Local (host) League.

### **GRIEVANCE PROCEDURES:**

With the approval of the State Singles League Coordinator, the AATL Grievance Committee and the Grievance Appeal Committee are appointed by the Local League Coordinator. If a grievance is filed, and/or appealed and a Committee chair or Committee Member is close in any way to either party or the grievance, the Local League Coordinator along with the State Singles League Coordinator may replace the chairman and/or committee member (s) to ensure maximum objectivity in the grievance procedure.

**Committees.** The Local League Coordinator has the authority to appoint the persons who shall serve on Grievance and Grievance Appeals Committees in the place of those persons listed below in the case of conflict, absence or other inability to serve. Substitute appointments will come from members a list of other 2010 Grievance Committee volunteers.

Grievance Complaints will be sent to the Local League Coordinator and then to the State Singles League Coordinator to be forwarded to the Section Grievance Committee.

### **Procedure for Filing Grievances**

- A. A complaint against a player or team alleging a violation during local league competition shall be filed in **writing with the LLC prior to the commencement of the next team**

**match in that flight involving such player or team, or within twenty-four (24) hours after the end of local league play, whichever occurs first,** except a complaint based on ineligibility under USTA League Regulations which may be filed after knowledge thereof. The LLC shall send a copy of such complaint to the party(s) to whom the complaint has been made and the Grievance Committee.

- B. The grievance can be e-mailed, mailed or delivered to the LLC. **E-Mailing is preferred as it will expedite the procedure.**
- C. Grievance Procedures are outlined in the USTA League Regulations 2.00 Grievance Procedures. The form for filing a grievance can be found at, [www.aikentennis.com](http://www.aikentennis.com), under rules.

#### **Day and Time of Play**

Matches for Adult and Senior play will be scheduled, based on majority team captain agreement, during the week starting no earlier than 6:30 pm, or on the weekend no earlier than 9:00 am. The LLC has the option to schedule other days and times if the number of teams and court availability warrants such a schedule.

## **MATCHES AFFECTED BY INCLEMENT WEATHER (Mandatory Procedure)**

General Weather Related Rules (Apply to all Inclement Weather Cases)

W1. Matches may only be postponed if courts are unplayable, as verified by both team captains, due to moisture, freezing, or the match time temperature is below 32 degrees. Matches may not be postponed due to excessive wind or heat.

W2. Matches may not be postponed more than one hour before match time.

W3: Only players on the team roster for the originally scheduled match date/time are eligible for make-up matches.

W4. If some courts are playable at match time, other individual matches, not started due to unplayable courts, may not be postponed to a later date unless courts are still unplayable 30 minutes after the original match time. Postponed individual matches are subject to rules 2A-2D below.

W5: Team Captains shall schedule all individual and team make-up matches. Since substitution applies to all matches not started, exchange of scorecards, and relying on players to arrange times to complete a make-up match is NOT permitted.

W6: Failure to follow the prescribed inclement weather make-up procedures listed for cases 1-3 will result in individual match defaults.

### **Case 1: If courts are unplayable due to moisture, or temperature is below 32 degrees at match time, and both captains agree to postpone the match.**

1A. Postponed matches may be made up, either as a team, or individual positions separately, within two weeks from the original match date. Exceptions may be granted by the LLC after receiving written (email) request by either captain.

1B. Within 24 hours from match postponement, the home team captain shall provide the Visiting team captain a minimum of **2 dates** for each affected position, with proposed match times, (maximum of one Saturday or Sunday date, weekday times before 6pm may be given, but do not count towards the 2 date per position minimum as these times do not accommodate working players) to choose from for the make-up match(es). The AATL LLC shall be notified, via email, of the postponement and proposed make-up dates/times at the same time as the visiting team captain. Acceptable examples for a 5 position match, rained out on a Sunday, include (**2 options** for each singles position, and **2 options** for each doubles position,

\*Monday, All positions at 6:30pm

\*Sunday, Singles (1 position at 2pm or 7pm), Doubles (2 positions at 7pm)

\*Wednesday #2, Singles (2 positions at 7pm), Doubles (2 positions at 6pm)

**Note: 3 different days are given, that include times after 6pm during the week, and any time on one weekend day. 5 total singles position times, and 7 doubles position times are provided. This is slightly more than the minimum, and captains are encouraged to provide as many options as they can. (Remember that when split, individual matches are recorded on the scorecard based on the order they are played. So assigning line numbers to the dates provided is meaningless. The first match played is #1, second #2, etc.)**

1C. After receiving the proposed make-up dates/times, the visiting team captain may decide how many of each position (Line numbers shall be recorded on the scorecard in the chronological order they are played except in the case of defaults as described in 1D below) are played on the given dates/times and notify the Home Team Captain and League Coordinator, via email, within 24 hours (NOTE: Based on the timing in rules 1B and 1C, the schedule for make-up matches should be established with 48 hours after original match postponement.) **If agreement between captains can't be reached, any disputed individual matches will be made up at a time decided upon by the LLC.**

1D. After make-up scheduling, if a team must default an individual match on any of the make-up dates, the defaults shall be recorded at the lowest positions when scores are entered in TennisLink regardless of the defaulted match position.

1E. If a make-up match must be postponed due to inclement weather, it must be made up within one week, and rules 1A-1D, or 2A-2E if applicable, apply to all successive make-ups with the one week limitation applied.

**Case 2: Courts become unplayable after match start time, but before the start of the first point in the match.**

2A. Case 1 rules 1A-1E apply.

2B. Defaults received during scorecard exchange count.

2C. For make-up matches, substitution of players on original scorecard may include any player eligible per rule W3.

2D. In the case of defaults received at originally scheduled match time, the players listed on the scorecard at original exchange receive the default, and are not eligible for substitution at other positions for this team match.

**Case 3: Courts become unplayable due to moisture after the first point has been played in an individual match.**

For this case, the match must be resumed from the exact point where it was stopped (i.e, same players, score, court position, court surface but not exact court, and service rotation) completed within two weeks of the original match date using rules 1A-1E Above. Matches will be completed line by line/position by position unless the team agrees to complete all matches at one time. All three positions on the team must complete their matches, and have them entered in Tennislink, within 15 calendar days from the day the match was originally scheduled.

***MATCH CONFLICTS WITH OTHER EVENTS***

Except in the event of weather, matches may not be played after the originally scheduled match date. Matches may be played up to 2 weeks in advance of the originally scheduled match for 4 reasons: (1) If the match date interferes with a league championship. (This includes Adult, Seniors, Super Seniors, Combo, and Mixed Doubles); (2) If the match date conflicts with a previously scheduled TEAM commitment to a tennis related event out-of-town, such as an adult tennis camp, or an out-of-state tennis tournament where the TEAM is competing; (3) If a majority of team members are affected by school holidays, and are not available to play (4) Special event deemed acceptable by the Local League Coordinator (i.e., tournament, tennis facility event, funeral, etc.). However, both captains must agree to this change, and permission must be granted by the Local League Coordinator, or else the match will be played as scheduled.

Two dates, minimum, with proposed match times should be given to the visiting captain to play the match early using the procedure given in rules MATCHES AFFECTED BY INCLEMENT WEATHER rules 1B-1C. If no agreement can be reached on a date to play, the Local League Coordinator has the final say. If it rains the day of the match, and no other day can be agreed upon to play, then the original date of the match stands.

## ***AATL Policy for Granting League fee Refunds***

Full refund (minus the USTA National Processing fee) of the league registration fee will be granted if a player requests to be removed from a team prior to the start of the league season for any reason. Requests for refunds will not be granted after the league season begins except in the case where a player moves out of the AATL local area before participating in any matches. It is a player's responsibility to submit refund requests to the AATL.

### **Other Situations:**

If there is a situation that is not covered by these rules and regulations, refer to USTA State League Rules and Regulations.
